Dear Covenant Parents,

Our desire is to come alongside you as you raise your children, helping to equip and train both parents and children to delight themselves in the Lord. We have a number of new and ongoing ministries to children and parents that are laid out for you in this flyer.

Christ is at the center of the Bible. Christ is the center of God's covenant promises to his people. Christ must be the center of our homes. We teach your children about Christ in all of Scripture through **Sunday School**; we teach your children the systematic theological truths of the Gospel on Sunday nights through catechisms at **Covenant Kids Class**; and we teach your children to see Christ as the center of all of life through worldview training on Tuesday afternoons in our **After School Arts Program**.

## Upcoming Ministries

### COVENANT KIDS CLASS

beginning next Sunday!  
Sundays, 6:30-7:00 pm

#### Exciting new development.

Systematic theology is simply what the Bible as a whole teaches about various topics. E.g., Who is God? Who is man? What is sin? We will be re-implementing a section of Covenant Kids Class which underscores these categories for the children, while encouraging the children to work hard on catechism memory during the week at home. Such theological instruction is always timely; how much more so in our increasingly and sinfully confused and fractured world?! Parents are free to join us. Perhaps it will be a window into what family devotions might look like for you and your children in your home.

### AFTER SCHOOL ARTS PROGRAM

beginning February 15th  
Tuesdays, 3:30-5:30 pm

The crucified, resurrected and ascended Christ has been given as "head over all things to the church" (Ephesians 1:22). Therefore, we and our children must live all of life under this Christ, who is Lord of all. Bring your children, and your children's schoolmates, to hear how the Good News of Jesus Christ applies to their hearts and minds, and specifically to the subjects of music and art.

**3:30 pm** | Opening chapel service for all ages and parents

**4:00-5:30 pm** | This semester we will study traditional art and music of countries in Asia, Africa, and South America.

### PARENTING SUNDAY SCHOOL CLASS

beginning March 20th  
Sundays, 9:15-10:10 am

From the Children's Catechism: Question: "Do you have a soul as well as a body?" Answer: "Yes, and my soul is going to last forever." Parents, how often do you think of your children (and yourselves) that way? When you brought a child into this world, you brought a (sinful) creature into the world who will live forever, either in heaven or in hell. While God makes salvation promises to us and to our children, he requires us to pray for and instruct our children with diligence and care. **Come and join other parents as we think upon this holy task.**
